All games below are included in the **THE WINNING COMBINATION** game suite!

- In LINE ACTION players may choose between the following core games:

Dive into the beautiful underwater world of KING OF ATLANTIS™. Stacked symbols and GIGANTIC WILDS™ give players the chance for great wins. The Poseidon Free Spins Bonus is triggered by the Gigantic Wild and the Bonus symbol.

Explore the mysteries around the magic Ice Queen in ICY WILDS™. Stacks of high value symbols appear frequently, turning a full reel wild for the next purchased game. In combination with the 4-fold top paying symbol this game offers a very high chance for awesome wins.

Meet the majestic Tiger which acts as the top symbol as well as a two-position high wild symbol in GOLDEN JUNGLE™. Each Statue symbol will activate a Wild icon displayed above the reel. Collecting 4 icons turns the entire reel wild for 3 spins.

KNIGHT'S TALE™ welcomes you to the Middle Ages. All Knights act as wilds for all symbols. Golden Knights will goldify all Black Knights on the same reel. Each Golden Knight collected awards a bonus game. These bonus games can be played at any time at any bet.

- In CASINO CLASSICS players may choose between the following core casino games:

You're guaranteed a howling good time with the frequent Wild symbol action on this 5-reel, 40-payline game that showcases the spirit of the American Southwest. Multiple Wild symbols next to each other on the same reel strip allows for bigger wins.

Emerge victorious with the TREASURES OF TROY™ game! This unique 4x5 configuration offers 40 paylines with additional MultiWay® wagering, 20 independent reels, wild symbols, and an exciting free spins bonus.

This game features classic CLEOPATRA® art and traditional Egyptian symbols of wealth that players know and love. When three or more Sphinx symbols land in any position, players are awarded a free games bonus.

In the beautiful underwater theme MYSTICAL MERMAID™ players will meet the mermaids and their underwater friends. The four different mermaids act as the top and wild symbols. In combination with the Chest symbol the mermaids also trigger the Free Spins Bonus.

- THRILLER JACKPOTS features these proven top-performing VOLCANO ISLAND™ standalone progressive titles:

SPHINX WILD™ features a stacked symbol approach combined with the Golden Mask Surrounding Wild Feature. Pyramid scatter symbols trigger the Free Games Bonus selection screen.

In MOVING MOMENTS™ players can experience the "WILD STAYS, MOVES, AND PAYS", feature, where a stacked wild moves one reel to the right when choosing the same bet option in the next spin.
