GOLDIFY™

GOLDIFY™ IS EXCLUSIVELY AVAILABLE ON THE OXYGEN UPRIGHT AND SLANT CABINET*:

BASE GAME

All wins are paid left to right, except scatter and bonus wins.

The top symbol *King Midas* appears stacked along two positions, is wild and substitutes for all symbols except for the *Rose* symbol.

SCATTER

Three or more *Rose* symbols in any position pay a scatter win and trigger the bonus feature.

SPECIALS

GOLDIFY FEATURE

Before the start of the actual game, the player may choose the volatility of the base game by selecting one of eight symbols, each with a different value, to "goldify". As part of a winning combination, the "goldified" symbol pays 5x the award. Additional symbols can be "goldified" during the *Free Games Bonus*.

BONUS FEATURES

FREE GAMES BONUS

The *Free Games Bonus* is triggered by three, four or five *Rose* symbols, awarding 15 free games with three "goldified" symbols, 50 free games with four "goldified" symbols or 100 free games with five "goldified" symbols respectively. At the beginning of each free game session the player may choose his favourite symbols to "goldify". Free games can be re-triggered up to a maximum number of 600(!) during one session.
