MAIN GAME

BALL TRACK - The moving Ball Track is a win-triggering element that increments the progressive Mojo Pot meters or triggers five unique power frogs that award random wilds.

JUMPING FROG FEATURE - The Jumping Frog awards frequent random wilds by jumping to up to five random reel spots to turn them wild.

GHOST BOSS MULTIPLIER - The Ghost Boss appears onscreen right before any line wins are awarded and throws out a gold coin to reveal various multipliers.

BONUS GAMES - Zuma offers four entertaining bonuses, three with two-tiered Boss Battles and an optional Skill-Based feature.

TREASURE CHEST BONUS

The Treasure Chest Bonus is an auto-pick credit presentation triggered by three scattered Treasure Chest symbols.

KAHTIKI KHAN BOSS BATTLE BONUS

In the Kahtiki Khan Bonus players choose either the "Skill Challenge" to time their ball shots to battle the boss or the "Pick-A-Prize" option for an instant credit win.

BARON DIGO BOSS BATTLE BONUS

Players are awarded five Free Spins and during each spin, the Boss throws skulls. Players pick a skull for full reel wilds plus additional free spins or a blocker.

MAGA MAGA BOSS BATTLE BONUS

Players are awarded 10 Free Spins and during each spin, the Boss throws a minion blocker, while the frog jumps to a wild. If the wild contributes to a win, the minion breaks and the boss is hurt. If the boss is defeated early, bigger wins are awarded.
