

# STARBAR

## THE NEXT GENERATION IN STATE-OF-THE-ART GAMING

An elegant Play Station designed exclusively for the bar top. Casinos, racinos, and gaming lounges can now keep players playing — and money rolling in — even at the bar.

# FITS STYLISH INTO ANY CASINO BAR

Interblock's StarBar is a smart solution for keeping gaming going even when players hit the bar for a refreshment break. Beautifully and elegantly designed to maximize casino space, the StarBar is easy to install into any existing or new bar counter and can be customized to meet the unique requirements of any gaming establishment. The innovative, new Play Station can be used as a standalone bar-top gaming machine and/or be connected to external generators to play Interblock dealer-assisted, video, or automated games — including those based on dice, cards, and roulette.

## KEY FEATURES:

- Beautiful facade and intuitive touch-sensitive display
- Certified random play generator
- 500+ games per hour
- Multi-game, multi-play functionality
- Power Meter bonus system
- Compatible with all bill and ticket peripherals
- Online system connectivity
- Secure, tamper-proof cabinet

# MULTI PLAY KEEPS THE GAMING GOING

Interblock's StarBar allows players to interact with multiple games simultaneously on one Play Station. Without having to cash out or change machines, players can switch between up to 16 different games with just one touch on the StarBar screen. Keeping players in their seats means more business for you and more fun for gamers.

## ALL THE FAVORITES ARE AVAILABLE ON STARBAR:

- Diamond Video Pokers — Jacks or Better, Bonus Poker, Double Bonus Poker, Double Double Bonus Poker, Deuces Wild Poker
- Blackjack, Multi-Hand Blackjack, Baccarat
- Single- and Double-Zero Roulette
- Craps, Sic-Bo
- Keno, Pop 'N Poker, Big 3 Six, Diamond Video Slots
- Side Bets — Lucky Aces, Lucky Nines, Lucky Shooter, Touchdown Roulette, Hi-Ti, Super Six, 3x Six, Bikini
- And more!

# NEW! POWER METER BONUS SYSTEM

The exciting new Power Meter displays player statistics (e.g., games played or winning percentage), enables operators to offer incentives based on predetermined criteria. For instance, "Play 10 Games, Win a Free Entry for a Valuable Prize". The casino can easily set up promotions that incentivize players to play more. Fully automated campaigns, including coupon printouts, make it easy to create special player extras without any need for staff assistance.
