Wheel of Fortune® Double Diamond® TRUE 3D® Reel Slots

Target Player

- This winning combination of legacy brands and new 3D technology, appeal to a diverse demographic from baby boomers to GenX and in between.
- New 3D features will attract quarter and dollar denom players, looking for enhanced entertainment experience.
- An exciting offering for higher denom players seeking more action-packed play.

Benefits & Features

- The most celebrated brand in slots is now the most anticipated new member of the TRUE 3D® family of games. Wheel of Fortune Double Diamond 3D launches a new product category: TRUE 3D Reels. A game that offers the best of both worlds, merging the successful Wheel of Fortune physical reel slot play experience with exciting Wheel of Fortune 3D video presentation.
- Games are available in Quarter and Dollar denom for all WAP jurisdictions. For NV and Native American markets, there is also a $.50 option. Standalone denomination is operator configurable.
- Wheel of Fortune TRUE 3D Reels offers unique game merchandising, with custom trim kit, LED lit wheel surround, game controlled side lighting, and an eye-catching LCD topper and crown antler configuration.
- This game features a 3X3 configuration with forced five lines + fourth Bonus Reel. Available wager levels include: one, three and five –coin options. Higher wagers activate more bonuses on the 4th Bonus reel.
- At one coin, 5 lines are played. At a three-coin bet level, players are eligible for the COIN Bonus, Free Games Bonus and 2X base game Multiplier. And, at a five-coin level, Players are eligible for all Bonuses and Multipliers plus the Wheel Spin Bonus. Max bet required for WAP jackpots.
- Reels are 3D, so players will see the full depth and rotation of the reels as if they were real mechanical reels; some symbols will appear slightly raised and textured, and to presented in 3D space. Some bonus features are awarded from the fourth Bonus Reel.
- Coin Bonus: A 3D effect shows the coin flying off of the fourth reel, duplicating, and ending with a coin hovering above each of the other 3 reels in 3D space. Player chooses one coin and a prize value of either 10, 20 or 50 credits is revealed.
- Free Games: Five free games are awarded with the center reel showing all Wheel of Fortune symbols, which substitute in pays as 2X wild symbols. During Free Games, the fourth bonus reel is active and players may be awarded bonuses based on their bet level eligibility.
- Wheel Bonus: Players spin the wheel and are awarded prize values. Players may also win one of three Multi-Level Progressive values.
- Multi-Level Progressives: There are three in-house progressives available from the wheel: Minor, Major and Grand. Players must bet max to be eligible for a wheel spin and the MLP.
- The Wide Area Progressive (where available) is awarded by landing 3 Wheel of Fortune symbols on the first payline at max bet.
- Available as WAP in $.25, & $1.00 denominations. $.50 denomination also available only in Nevada and Native American markets. Standalone denomination is operator configurable, depending on jurisdictions.

Differentiation

- These games transform classic base play of Double Diamond slots with the iconic Wheel of Fortune wheel into the multi-dimensional play sensation of TRUE 3D Reels, for a gaming experience sure to appeal to current brand fans, as well as, attract new ones.
